## NOVEMBER 2024 NEWSLETTER

Deadline for next Newsletter

**IMPORTANT!** Please can we ask that, if you know of any neighbours who may not have access to the internet, you print a copy off for them and pop it through their door. Thank you.

### PLEASE RESPOND! - CONSULTATION A417 Reading Road (West Hendred) proposed Puffin crossing & Bus stop clearways

We are writing to seek your views on the proposal to construct a Puffin crossing (signalised crossing for use by pedestrians only) on the A417 Reading Road in West Hendred, located approximately 30 metres east of its junction with The Greenway. New Bus Stop Clearways with associated 'No Stopping except local buses' restrictions will also be located on the A417, either side of the carriageway in the vicinity of the junction with The Greenway. The proposals are being put forward as a result of road safety concerns raised regarding access for residents, and in particular school children, to and from the bus stops located on either side of the A417 Reading Road. The crossing will also help facilitate residents on the north side of the A417 in crossing the road to access the main body of the village and community facilities such as the Village Hall and the Playground. In light of this, please review the following documents in the link below on the council's consultation portal:

- Public Notice,
- Consultation Plan

As stated on the notice, any objections or other representations on the proposals should be submitted by **Friday 8th November 2024**.

### **An essential new reservoir for the South East - Progress Update**

Thanks to everyone who participated in our summer 2024 public consultation on the new reservoir proposals. We received over 1,500 responses and more than 1,200 people joined our community events. In August 2024, we secured government approval for our Water Resource Management Plan which sets out the action and investment needed to make sure your water supply is resilient and sustainable for the next 50 years and beyond. To inform our design plans, work has now begun on geological surveys, including a clay compaction trial on the proposed reservoir site. You can discover more on our progress by visiting:

Full details/suggestions about how to fill your box are provided in the leaflet and we are also more than happy to answer questions. As in previous years a donation of £5 per box is welcomed by Samaritan's Purse but this is not mandatory, and we welcome ALL boxes. Please could we have completed shoeboxes by **Wednesday 13th November** latest so that we can get them to the despatch point in time! These boxes bring so much joy to needy children overseas so please do consider taking part in this appeal. Thank you. Patsy **835113** / Angela **862912**

### **What is Remembrance?**

Remembrance honours those who serve to defend our democratic freedoms and way of life. It unites across faiths, cultures and backgrounds to remember the service and sacrifice of the Armed Forces community from United Kingdom and the Commonwealth. Remembrance does not glorify war and its symbol, the red poppy, is a sign of both Remembrance and hope for a peaceful future. Wearing a poppy is never compulsory but is greatly appreciated by those who it is intended to support. Please wear your poppy with pride. When and how you choose to wear a poppy is a reflection of your individual experience and personal memories, but we will remember them. Eighty years ago, we remember the D-Day landings and the battle of Normandy, and the battle on Monty Cassino.

Best Wishes, Nigel

### **Holy Trinity West Hendred - Oxford Historic Churches Ride and Stride – 14th September**

This year's sponsored event took place on Saturday 14th September. I opened Holy Trinity Church at about 9-15am, and then headed off to East Hendred, visiting St. Augustine and St. Mary's church. Then, on to Steventon – with fortunately no delay at the level crossing, which has happened several times in recent years. There's an ancient causeway path from Steventon to Milton – not the easiest for cycling! On to Sutton Courtney then cycling by the Thames to Abingdon, visiting 9 churches. And then to Radley, with tree-trunk posts holding up its roof, as well as the woodwork from the House of Commons that Charles the first wanted for his parliament in Oxford during the Civil War.

I crossed over the river at Sandford Lock and had my packed lunch at Sandford-on-Thames. Then via Littlemore, Cowley, wending to Iffley, and then St. Bartlemas Chapel, just off the Cowley Road, which was open this year. This former chapel to a leper hospital founded by Henry I is an oasis of tranquillity. On to St. Clements church off the Marston Road, then the Russian Orthodox Church of St. Nicholas the Wonderworker on Ferry Road, Marston. I cycled across to the University Parks, then central Oxford with its great variety of churches.

I finished at the Greek Orthodox church in Canterbury Road in North Oxford, and chatted with the priest, who kindly signed my form. Such a great variety of churches in both style and setting! I clocked up 52 churches. Money continues to come in from sponsors. The total so far received is £292, with quite a lot more yet to come. Thank you to all who have sponsored.
